

YAMBA WOOTA ANGUS STUD

1800 Paterson River Road, Lostock, Via Gresford, NSW, 2311

Registered Angus Bull Sale

11am, Friday, 23rd October, 2026

CATALOGUE

About Us and Sale information

We are a family business that breeds high quality, quiet Angus cattle over the past 14 years. We have sourced quiet, HBR registered bulls in recent years from, Knowla Livestock and previously, Curracabark and Sugarloaf Studs. With the help of the Laurie family, we have purchased extremely quiet, well-bred Angus Bulls, recently from the top 10 lot numbers in Knowla Livestock Bull Sale.

We are offering 7, extremely well handled, quality Angus Bulls. Our bulls have been raised from on-farm, proven, Angus bulls. The registered bulls are predominantly Capitalist bloodlines through Knowla Quasimodo and three are Baldrige Bronc bloodline through Knowla Patriot.

All bulls have received courses of 7:1, vibriovax and BEF vaccines. All passed semen testing by Brendan Noonan, Northern Artificial Breeders, reports available. Structural assessments by Bob Dent 28th September, 2026, report available and Trans-Tasman EBV data from Angus Australia.

Thank you for your interest in our Angus stud.

Sale Details:

Sale commences at **11am Friday, 23rd October, 2026** using, the Helmsman Selling System (See below). Viewing of bulls to commence from 9am on 23rd October, 2026 or by appointment prior to sale. Please contact Penny O'Meara, 0410 544 567 or omeara2311@outlook.com for appointments or any information.

Helmsman Selling System

The Helmsman Selling System allows you to place bids on any bull(s) of your choice at any time period during the sale period. You have the opportunity to reassess each lot during the sale.

- On arrival intending purchasers need to register and receive a bidding number.
- All bulls are displayed for the inspection period and during the sale.
- When the sale commences all bulls are on the market simultaneously. You may bid on any bull regardless of lot number, by filling in a bid card with your bid price and buyer number and hand it to a "runner". These bids will then be given to a central person in the order they are received and posted on a large board displaying bids and buyer numbers so you will be able to see at a glance whether your bid stands or has been out bid.
- Where bids of equal amounts are on the same animal the first bid received will be the standing bid.
- A bid cannot be retracted.
- You may open bidding at the reserve price indicated for each animal in the sale catalogue and contest bids in multiples as advised by the sales manager.
- If your "first choice" animal goes beyond your limits you can still bid on any other animal in the sale.
- The sale will be open for 20 minutes. At the end of 20 minutes a 2 minute bid clock will commence. A bid on any lot will restart the countdown clock. Any further bids on any lot will trigger the same process until a full 2 minute "no bid" period will conclude the sale (or at the discretion of the sale manager).

Disclaimer: The agents and vendors of this sale make no representations or warranties regarding the accuracy, completeness, or reliability of the information provided in relation to the bulls for sale. All descriptions, pedigrees, and information about the animals are provided in good faith and to the best of the knowledge of the vendors and agents. However, potential buyers are encouraged to conduct their own independent assessments and due diligence before making any purchasing decisions. The agents and vendors accept no liability for any errors, or misrepresentations that may occur, whether made verbally, in writing, or otherwise.
